6. Next Steps
  - a. Sub Committees: Three sub-committees are being created to host two meetings each. The first meeting would be to receive input from interested stakeholders and the second meeting would be to compile information and create recommendations for consideration by the entire Task Force. RRA is available to handle meeting logistics and reporting out.
  - b. Suggested Sub-Committees:
    - Work Force Education and Training for Green Jobs
    - Attracting Green Jobs
    - Retention and Expanding Green Jobs
  - c. Select your Sub-Committee and 10 minute planning session
7. Calendar Check
  - a. November and December Meeting Dates
