

Gender Fairness in the Courts

A 20 Year Retrospective

In September 1989 the Minnesota Supreme Court Task Force for Gender Fairness in the Courts issued its final report on gender bias in the court system. The report documented gender bias, where found, and recommended methods for its elimination. Join the Gender Fairness Implementation Committee as it looks back on the original recommendations and celebrates the progress made.

Tuesday, October 27, 2009
Crowne Plaza Hotel St. Paul
11 East Kellogg Boulevard
