We want to hear from you. Share your views on women's economic issues in your area, including successes and challenges.

**HOST:** Legislative Office on the Economic Status of Women <http://www.oesw.leg.mn/>

**FORMAT:** An unstructured discussion. We simply ask, "What are the primary economic issues for women in your area?" "What are the economic success stories of women in your area?" and "What are barriers to women's economic success in your area?"

**PURPOSE:** To gather information to advise state legislators on women's economic issues in Greater Minnesota.

**WHO IS INVITED:** Individuals and organizations that deal with a broad range of women's economic issues. General public invited.
