

This summary is based on preliminary information from Federal Funds Information for States (FFIS). The actual amounts received by Minnesota could be different than what is detailed below. For example, the FFIS amount of \$2,030,000 for FMAP is greater than the \$1,800,000 to \$1,900,000 that DHS has estimated Minnesota will receive. The totals below do not include an estimate for what Minnesota expects to receive through various competitive grants.
