## General Summary of S.F. 1808 (Rosen), the First Engrossment

### Article 1: Statutory Actuarial Assumption and Conforming Changes (Derived from H2168/S2010 and Senate Gov Ops amendment SCS1808A-2)

- The current undifferentiated pre-retirement interest rate assumption of 8.5% annually is replaced by a select-and-ultimate pre-retirement interest rate assumption for all statewide and major local Minnesota public retirement plans, with the pre-retirement select interest rate assumption set at 8.25% annually for the period July 1, 2012, to June 30, 2014, and 8.0% after June 30, 2014, until the 10-year annualized return equals or exceeds 8.5%, at which time the assumption returns to 8.5%. (Section 2)
- The statutory changes are made that are needed to accommodate the recommendations of the consulting actuarial firm retained by MSRS in the 2006-2011 Experience Study of the State Patrol Retirement Plan, the 2007-2011 Experience Study of the Judges Retirement Plan, the 2006-2010 Experience Study of the Correctional State Employees Retirement Plan and in additional materials related to the Legislators Retirement Plan and the Elective State Officers Retirement Plan, and to accommodate the recommendations of the consulting actuarial firm retained by PERA in the 2006-2011 Experience Study of the Local Government Correctional Service Retirement Plan. (Section 2)
- The interest rate assumptions of the Legislators Retirement Plan and the Elective State Officers Retirement Plan are reduced, the salary scale assumptions of the Judges Retirement Plan, the State Patrol Retirement Plan, MSRS-Correctional, and PERA-Correctional are modified, and the payroll growth assumption of the Legislators Plan and the Judges Plan are reduced. (Section 2)
- The amortization procedure for the Legislators Retirement Plan is changed from a level percentage of covered payroll amortization procedure to a level dollar amortization procedure. (Section 3)
- The service-related salary scale actuarial assumptions of MSRS-General and PERA-General are modified to implement the original recommendation of their consulting actuary in the 2009 experience studies and the payroll growth assumptions of most statewide retirement plans are made uniform. (Section 2)
- The next quadrennial experience studies of MSRS-General, PERA-General, and TRA will be delayed to June 30, 2015, and will cover a six-year rather than a four-year period. (Section 4)

### Article 2: Contribution Adequacy Reporting (Derived from HF 2264/SF 2192)

- The Commissioner of Minnesota Management and Budget, in each odd-numbered year, must provide a report to the Legislature on the adequacy of the budgeted and forecasted defined benefit retirement plan appropriations, aid, and contributions to meet the actuarial funding requirements. (Section 1)

### Article 3: MSRS-Correctional Plan Membership Changes (Derived from HF 1987/SF 1692, Art. 1; HF 2199/SF 1808; and Senate Gov Ops amendment SCH2199A-3)

- The provision delineating the membership of the MSRS Correctional State Employees Retirement Plan (MSRS-Correctional) is revised by adding the employment classification of psychiatric advanced practice registered nurse to the nursing personnel inclusion provision. (Section 2)
- The employment classifications of Corrections Program Therapist 1, 2, 3, and 4 are changed to Clinical Program Therapist 1, 2, 3, and 4 in the other correctional personnel inclusion provisions. (Section 3)
- The employment classifications of Clinical Program Therapist 3 and 4 are added to the additional Department of Human Services (DHS) personnel inclusion provision. (Section 5)
- The Minnesota Extended Treatment Options Program provision is revised by updating the name to Specialty Health System-Cambridge. (Sections 1, 4)

### Article 4: Health Care Savings Plan Modifications (Derived from HF 2265/SF 1890)

- Allows the use of MSRS Health Care Savings Plan assets following employment termination and in other circumstances specified in the plan document rather than following termination or during active employment. (Section 1)
- Clarifies the reimbursement for expenses so that any assets remaining after the death of the participant and the participant's spouse must be used solely by a living person or persons designated by the personal representative of the estate for reimbursement of health care-related expenses. (Section 2)
- Allows the executive director to establish an account with sufficient assets to cover one additional year of administrative fees. (Section 3)

Article 5: MSRS-Unclassified Retirement Program Modifications (Derived from HF 1626/SF 1367)

- Clarifies for the Unclassified Employees Retirement Program of the Minnesota State Retirement System (MSRS-Unclassified) transfer to the MSRS General State Employees Retirement Plan (MSRS-General) provision that initial employment determines that post-June 30, 2010, employees are prohibited from transferring to MSRS-General after the first seven years of service, rather than applying that restriction to any existing employee who continues in employment beyond June 30, 2010, and repositions various portions of the provision to improve its readability. (Section 1)

Article 6: PERA-Administered Retirement Plan Modifications (Derived from HF 2266/SF 1891 and Commission Amendment H2199-8A, related to HF 2360/SF 2031)

- Mandates PERA to study options for updating its member minimum salary threshold provision. (Section 5)
- Corrects a cross-reference in the PERA allowable service provision and clarifies a vesting provision. (Sections 1-2)
- Clarifies the dates for supplemental employer contributions and the actuarial valuations upon which the contributions are based for the Minneapolis Employees Retirement Fund (MERF) account contribution provision for the merged MERF plan. (Section 3)
- Clarifies a PERA-P&F disability benefit/workers' compensation law coordination provision. (Section 4)

Article 7: Revisions in the PERA Privatization Law (Derived from HF 1167/SF 1182 and HF 1759/SF 1181)

- The definition of "medical facility" for application of the PERA privatization law, Minnesota Statutes, Chapter 353F, is updated to include the two most recent medical facilities covered by the special benefit provisions, Cedarview Care Center in Steele County and Traverse Care Center in Traverse County. (Section 1)
- The enhanced deferred annuity augmentation under the privatization law is modified to reduce the rate for post-December 31, 2010, privatizations to two percent or one percent, whichever percentage is supported by the actuarial gain resulting from the privatization. (Section 2)
- The privatization law refund effect provision is amended to reduce the interest rate to the current PERA-General refund interest rate. (Section 3)

Article 8: TRA Administrative Changes and Related Modifications (Derived from HF 1987/SF 1692 and HF 2411/SF 2009)

- Updates a Management and Budget reporting provision to recognize the merger of the Minneapolis Teachers Retirement Fund Association (MTRFA) into TRA. (Section 1)
- Consolidates into TRA law the various retirement state aid and related programs that TRA inherited when the Minneapolis Teachers Retirement Fund Association was consolidated into TRA, with appropriate cross-reference updates and other conforming changes. (Sections 2, 3, 6, 9, and 10)
- Creates a general payment deficiency recovery provision. (Sections 4-5)
- Removes obsolete language from the actuarial valuation interest and salary assumptions provision for Minnesota public defined benefit plans. (Section 7)
- Revises the TRA post-retirement adjustment procedure for prorating the first benefit adjustment after retirement for retirees who retired within 18 months before a benefit adjustment. (Section 8)

Article 9: Federal Internal Revenue Code Conformity Provisions (Derived from HF 1987/SF 1692 and HF 2266/SF 1891)

- Revises a federal compensation limit provision applicable to all plans by requiring that any differential wage payment must be treated as compensation for purposes of determining whether a limitation on wages for pension purposes has been exceeded. (Section 1)
- Revises the maximum benefit limitation provision to comply with federal IRC § 415(b). (Section 2)
- Revises the annual addition (contribution) limitation provision initially applicable to defined contribution plans to apply to all Minnesota defined contribution plans, not just to the MSRS Unclassified Employees Retirement Program and the Public Employees Defined Contribution Retirement Plan. (Section 3)
- Revises the definition of "compensation" for federal Internal Revenue Code compliance purposes by clarifying that the compensation limit for pension purposes cannot be exceeded, and by indicating that compensation must take into account the various exclusions and inclusions in federal Treasury Department regulations. (Section 4)

- Defines "limitation year" by moving existing language from another statutory provision. (*Section 5*)
- Revises the eligible retirement plan provision to include Roth IRAs. (*Section 6*)
- Revises the military service compliance provision to include death and disability benefits. (*Section 7*)

Article 10: Authorized Public Pension Fund Investment Revisions (*Derived from HF 1555/SF 927 and HF 1554/SF 928*)

- Eliminates a requirement that financial statements for managed funds be prepared by the SBI. (*Sections 1-2*)
- Creates authority for SBI to invest in exchange-traded funds (ETFs), and permits unlimited use of mutual funds rather than limiting mutual funds to a small portion of the total portfolio. (*Section 3*)
- Moves SBI Supplemental Plan and junk bond investment authority from various first class city teacher plan law and police and paid fire law provisions to the expanded list provision. (*Sections 4-6*)
- Removes defined contribution plans from various rate of return reporting requirements. (*Sections 7-8*)
- Clarifies that the asset threshold for the limited investment legal list applicable to some volunteer firefighter relief associations is based on relief association special fund assets. (*Section 10*)
- Creates new investment authority for volunteer fire plans, with limited list plans authorized to invest in ETFs and in junk bonds if the bond investment is through mutual funds or ETFs and with expanded list plans given explicit authority to invest in junk bonds with or without the use of mutual funds or ETFs. (*Sections 10-11*)
- For all plans, any investment in the SBI Supplemental Fund must be included in determining whether portfolio asset mix limits are met. (*Section 10-11*)
- For expanded list plans other than volunteer fire plans, a cap limiting international debt and emerging market equity investments to no more than 20% of the total portfolio is removed, while volunteer fire expanded list plans will be subject to a 15% cap. (*Section 11*)
- Makes technical corrections and removes obsolete language, makes the expanded list investment authority provision more comparable to that of SBI. (*Section 11*)

Article 11: Local Relief Association or Consolidation Account Mergers with PERA-P&F. (*Derived from HF 215/SF 106, HF 2005/SF 1604, and HF 2028/SF 1633*)

- The 2011 Minneapolis Police Relief Association special health insurance account trustee provision is amended to permit a shift in the designated trustee necessitated by the cancellation of the trustee contract by the pre-2012 trustee. (*Section 3*)
- The Fairmont Police Relief Association is totally consolidated into the Public Employees Police and Fire Retirement Plan (PERA-P&F), with a 15.6% benefit increase for the affected service pensioners and survivor benefit recipients, by legislative mandate, with a transfer of current relief association assets and the amortization of any remaining unfunded actuarial accrued liability transferred to PERA-P&F by December 31, 2020, or the return of any overfunding to the City of Fairmont and the termination of the Fairmont Police Relief Association and the repeal of the Fairmont Police Relief Association special laws. (*Section 4*)
- The Virginia Fire Consolidation Account is totally merged into PERA-P&F by legislative mandate, with any overfunding used to provide two (one-half of overfunding each) ad hoc post-retirement adjustments to former consolidation account benefit recipients, and the termination of the consolidation account and the repeal of Virginia Fire Relief Association special laws. (*Section 5*)
- The provisions specific to the Fairmont Police Relief Association and the provisions specific to the Virginia Fire Relief Association in Minnesota Statutes, Chapters 69, 356, 423, and 423A, are removed or repealed. (*Sections 1, 2, 6, 7, and 10*)

Article 12: Volunteer Fire Retirement Changes. (*Derived from HF 1168/SF 854, HF 1554/SF 928, and HF 2391/SF 1952*)

- Allows municipalities and independent nonprofit firefighting corporations to make additional contributions to the Statewide Volunteer Firefighter Retirement Plan of the Public Employees Retirement Association (PERA-SVFP) to their particular fire department account to pre-fund future employer retirement coverage costs. (*Section 8*)
- Clarifies the counter-signers for fire relief association financial documents and the recipients of volunteer firefighter relief association financial requirements determinations. (*Sections 2-3*)

- Expands the authority to pay salaries to all volunteer firefighter relief association board members. (*Section 7*)
- Authorizes governmental filing and application fees as authorized special fund expenses. (*Section 7*)
- Clarifies the volunteer firefighter relief association former firefighter return to service and volunteer firefighter relief association coverage provisions. (*Section 10*)
- Authorizes installment payments of survivor benefits for defined contribution volunteer firefighter relief associations. (*Section 11*)
- Permits some member dues to be credited as volunteer firefighter relief association special fund contributions. (*Section 17*)
- Recognizes as deferred service pensioners of volunteer firefighter relief associations firefighters who terminate active service after age 50 or who become full-time firefighters and specifies a default method and timing for deferred service pension interest if the volunteer firefighter relief association bylaws do not specify a method or timing. (*Sections 12, 14*)
- Clarifies the application of the lump sum volunteer firefighter relief association ancillary benefit limitation for combined monthly/lump sum volunteer firefighter relief associations and makes other technical clarifications. (*Section 15*)

Article 13: Small Group or One Person Retirement Provisions. (*Derived from HF 1377/SF 1114, HF 1539/SF 1295, HF 1627/SF 1475, and Commission amendment H2199-45A*)

- Includes employees of the Seaway Port Authority of Duluth in retirement coverage by the General Employees Retirement Plan of the Public Employees Retirement Association (PERA-General) and transfers all ten current Seaway Port Authority of Duluth employees to PERA-General, including that portion of past service with the port authority that can be funded from the person's account balance with the port authority's defined contribution retirement plan, the person's deferred compensation program account balance, any supplemental funding provided by the port authority, and any personal resources expended by the affected current employees for this purpose. (*Sections 1-3*)
- Permits certain Minnesota State Colleges and Universities System (MnSCU) faculty members hired in 2005 to elect Teachers Retirement Association (TRA) coverage retroactive to hire date due to an apparent MnSCU failure to inform the person, when hired, of right to elect TRA during first year of MnSCU employment. (*Section 4*)
- Permits certain employees of Crookston Township to obtain 17 years of additional allowable service credit from PERA-General, with his payment of the equivalent member contributions, and with Crookston Township obligated to pay the balance of the full actuarial cost of the benefits obtained by the additional service credit, with PERA permitted to collect the employer obligation by certifying a property tax levy on Crookston Township to the Polk County auditor if the township declines to make the payment voluntarily. The payments may be spread over five years, with interest, and any unpaid amount is due in a lump sum upon the member's termination of Crookston Township employment. (*Section 5*)
- Permits the spouse of a deceased Mahnommen County deputy sheriff to file and to receive disability benefits that would have been received prior to the deputy sheriff's death if a disability application had been filed in a timely manner. (*Section 6*)
