## General Summary of S.F. 489 (Pappas), the Second Engrossment

### Article 1: State Board of Investment Provisions. *(Derived from Commission amendment S0489-9A and Senate floor amendment SS0489A-1)*

- Permits the State Board of Investment to invest state retirement and other funds in swap contracts if marked to market and traded on a regulated contract market.

### Article 2: MSRS Administrative Provisions. *(Derived from SF 696/HF 628 and Commission amendment S0489-13A)*

- Clarifies language, removes obsolete language and revises outdated requirements, including removing the requirement that the surviving spouse live with the retired member at the time of death in order to be eligible for a State Patrol Plan survivor benefit.
- Revises MSRS-General, MSRS-Correctional, and State Patrol Retirement Plan contribution rate revision procedures.
- Revises the MSRS-Correctional duty disability definition to require that the disabling injury or illness arises from performance of duties which present inherent dangers specific to correctional employment rather than simply stemming from the performance of any duty.
- Expands MSRS authority to contract with medical advisers, requires all medical professionals providing services to MSRS to be licensed, requires employers to try to keep injured employees employed and to submit a report when no suitable employment can be found, requires disability applicants/benefit recipients to submit to medical or psychological examination with benefits denied if the individual refuses, and requires MSRS-General, MSRS-Correctional, and State Patrol Plan disabilitants to submit annual disability earnings reports with the penalty of benefit termination for lack of compliance.
- Merges the Elected State Officers Retirement Plan into the Legislators Retirement Plan chapter (Minn. Stat. Ch. 3A), with appropriate conforming changes to Chapter 356.

### Article 3: PERA Administrative Provisions. *(Derived from SF 275/HF 341, SF 277/HF 342 and SF 276/HF 344)*

- Revises the duration of certain student membership exclusions; revises the PERA military service credit purchase provision by removing the prohibition against use of overtime salary to comply with USERRA requirements.
- Creates an average salary definition for computing PERA-P&F surviving spouse and dependent child benefits; clarifies the PERA designated beneficiary definition by defining designated beneficiary to include a trust or estate, and by explicitly authorizing a person legally authorized to act on behalf of the member or former member to designate beneficiaries.
- Revises the PERA refund provision by specifying that a 4% interest rate will be used when PERA refunds erroneous employee deductions.
- Revises the MERF Division benefits provision by explicitly stating age and service requirements for MERF Division formula retirement annuities to address IRS concerns.
- Changes the name of Clearwater Health Services in Bagley to Cornerstone Nursing and Rehab Center, and adds Lake County Sunrise Home to the PERA privatization chapter.
- Revises an IRS compliance benefit commencement age provision in Chapter 356 to specify that individual consent is not required if distribution commencement is required by law.
- Substitutes PERA approval for legislative approval of privatizations for inclusion in Ch. 353F;
- Adds a 30-day separation requirement from a privatized employer to draw an annuity.
- Specifies treatment for employees who are simultaneously employed by public employer and a privatized employer.
- Repeals the PERA Social Security leveling option provision and makes conforming changes.

### Article 4: Benefit Accrual Rate Specification. *(Derived from Commission amendment S0489-12A)*

- Replaces statutory cross-references to Minnesota Statutes, Section 356.315, with the specific applicable benefit accrual rate formula percentage multiplier amount for each of the statewide and major local retirement plans.

Article 5: Local Police and Paid Fire Relief Association Revisions and Repeals. (Derived from SF 489/HF 629 and Commission amendment S0489-14A)

- Revises, repeals, or restructures the various retirement-related statutes that apply to or reference local police or paid firefighter relief associations to accommodate the consolidation/merger of all local police relief associations and all paid firefighter relief associations except the emergency on-call Bloomington Fire Department Relief Association.
- Adapts local relief association actuarial valuation requirements.
- Adapts the determination of excess police state aid for Minneapolis and Fairmont.
- Adds DTRFA full funding as alternative termination date for amortization state aids.
- Combines ongoing former local police and fire relief association merger provisions into a single stripped-down statutory section with benefit plan clarifications for the former Minneapolis fire and police relief associations.
- Converts the 1969 Police and Paid Fire Relief Association Guidelines Act to a Bloomington Fire Department Relief Association special law.
- Eliminates obsolete deduction item from excess police state aid holding account.
- Limits financial reporting requirement to fire relief associations.
- Resets additional amortization state aid allocation percentages consistent with current law post-2010 specifications.
- Resets the authorized uses for first class city fire insurance premium surcharge.
- Revises amortization state aid and supplemental amortization state aid.
- Specifically includes the natural resources and public safety departments in police state aid provisions.

Article 6: Volunteer Firefighter Retirement Changes. (Derived from SF 96; HF 156; SF 274/HF 340; and SF 1191/HF 1152)

- Provides localities with an extension in the period of time over which the question of joining the statewide volunteer fire plan can be considered after receipt of the PERA cost analysis document.
- Permits the White Bear Lake Volunteer Firefighter Relief Association to provide a \$2,000 lump sum death benefit to the estates of firefighters with at least 20 years of service who retired before 2008.
- Makes changes largely of a technical or clarification nature in volunteer firefighter relief association statutes.
- Specifies various statute-based leaves of absence as exceptions to the retired volunteer firefighter return to active service provision.
- Adds the requirement that the governing body of the applicable municipality approve any deferred service pension interest rate set by the relief association board of trustees.
- Eliminates the requirement that the volunteer firefighter relief association bylaws include the provision of the state-reimbursed lump sum volunteer firefighter relief association service pension supplemental benefit.

Article 7: One Person and Small Group Retirement Changes. (Derived from SF 279/HF 347; SF 280/HF 345; SF 594/HF 705; SF 573/HF 420; SF 780/HF 963; and Commission amendment S0489-11A)

- Permits a member to purchase 90 days of uncredited prior service credit in MSRS-General and to gain the eligibility for the Rule of 90 benefit tier by the consequent resetting of his allowable service credit start date.
- Permits any retiree or disabilitant from a Combined Service Annuity plan to terminate a non-spousal survivor designation and receive benefits based on a single life annuity if the designated survivor agrees and both the retiree or disabilitant and the designated survivor file valid termination statements with the executive director of the applicable plan.
- Adds Minnesota Association of Professional Employees (MAPE) employees to the definition of included state employees for retirement coverage by MSRS-General, removes MAPE from the on-leave labor organization employee retirement coverage election provision, but retains the other requirements and limitations for labor organization employees covered by MSRS for MAPE employees in MSRS-General, with a clarification on the membership exclusion for a current MSRS-General annuitant.
- Allows a former Northfield Transit Division employee to purchase 43 months of allowable service credit and salary credit to correct for the period of public employment he rendered that was unreported

to PERA by paying the equivalent member contribution amount, plus interest, and obligating the former employer, the City of Northfield, to pay the balance of the full actuarial value service credit purchase payment amount determined under statute.

- Permits a certain Wright County Highway Department employee to purchase service credit in PERA-General for 1.75 years of service currently uncovered due to failure by Wright County to enroll him in the plan in a timely manner.

Article 8: Miscellaneous Provisions (derived from Commission amendments H1152-4A, S1191-3A, and S1191-4A)

- Requires the Office of the State Auditor to provide information to the volunteer firefighter community with information on the availability of the State Board of Investment to accept investments for volunteer firefighter relief associations and on the availability of the voluntary statewide lump-sum volunteer firefighter retirement plan.
- Requires the MSRS, PERA, TRA, and first class city teachers boards to approve early retirement and optional annuity factors, subject to Commission actuary review, to establish an implementation schedule, and to notify the Pension Commission of the schedule.

<b>Article 1: State Board of Investment Provisions</b>					
1	2.37	Commission amendment S0489-9A; Senate floor amendment SS0489A-2	11A.24, Subd. 1	SBI	For state retirement funds and other state funds invested by SBI, swap contracts are authorized as an investment vehicle if market to market and traded on a regulated contract market.
<b>Article 2: MSRS Administrative Provisions</b>					
1	3.10	SF 696 (Goodwin); HF 628 (Murphy, M.)	3.85, Subd. 10	LCPR Standards	A provision governing the Commission Standards document is revised by clarifying that, in addition to requirements that are necessary to comply with generally accepted accounting standards, the standards document may include additional financial, funding, or valuation requirement that are not required under generally accepted accounting principles.
2	3.21	SF 696 (Goodwin); HF 628 (Murphy, M.)	3A.011	Legislators/ ESO	The administration of plan provision is generalized to apply to all plans or programs covered by the chapter.
3	3.27	SF 696 (Goodwin); HF 628 (Murphy, M.), Commission amendment S0489-13A	3A.03, Subd. 3	Legislators	Obsolete language and an unnecessary reference to an appropriation provision are removed, with a clarification on the crediting of investment performance.
4	4.6	SF 696 (Goodwin); HF 628 (Murphy, M.)	3A.07	Legislators/ ESO	An exception to cover provisions applicable to constitutional officers is added to the application provision.
5	4.19	SF 696 (Goodwin); HF 628 (Murphy, M.)	3A.115	Legislators/ ESO	An appropriation provision is clarified and expanded to include the necessary appropriations for benefits to retired constitutional officers and eligible survivors.
6	5.4	SF 696 (Goodwin); HF 628 (Murphy, M.)	3A.13	Legislators/ ESO	The exemption from process/health care premium provision is revised to apply to all individuals covered by the chapter, and to explicitly allow health care premium withholding for retired constitutional officers.
7	5.15	SF 696 (Goodwin); HF 628 (Murphy, M.)	3A.15	Legislators	The Legislators Retirement Plan coordinated program provision is revised to apply to both coordinated and basic legislator programs
8	5.22	SF 696 (Goodwin); HF 628 (Murphy, M.)	New 3A.17	Constitutional Officers	Existing Elective State Officers Retirement Plan provisions are moved to new Sec. 3A.17. Nothing in the section is to be interpreted as revising constitutional officer or survivor benefits or benefit eligibility.
9	6.5	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.01 Subd. 17b	MSRS- Correctional	The duty disability definition is revised by stating that the disability must arise out of performance of duties which present inherent risk specific to the duties performed by correctional employees.
10	6.12	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.03, Subd. 8	MSRS plans	The disability medical adviser provision is revised by expanding it to permit use of medical advisers other than the Department of Health.
11	6.19	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.045, New Subd. 3a	MSRS- General	The existing contribution rate revision procedure is replaced by a new subdivision requiring a recommendation to the Commission of any reduction of rates to eliminate contribution sufficiencies until no more than a 1% sufficiency remains; requiring a recommendation of equal contribution rate increases to eliminate deficiencies, with increases escalating in size depending upon the size of the deficiency; and requiring increases or decreases to become effective unless the Commission recommends a different course of action. In proposing any increase or decrease, MSRS must take into account any need for revised actuarial assumptions and the likely impact on contribution requirements due to acceptance of revised assumptions. Proposing to use sufficiencies to pay for proposed benefit improvements is prohibited.
12	8.16	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.045, New Subd. 3b	MSRS- Correctional State Patrol	A new subdivision is created with procedures for MSRS-Correctional and State Patrol Plan contribution rate revisions, replacing an existing procedure being repealed, by making Sec. 352.045, Subd. 3a, also apply to these two plans except that limits on contribution rate changes stated in Sec. 352.045, Subd. 3a, apply only to revisions in Correctional and State Patrol Plan employee contributions. The Correctional or State Patrol plan employer contributions must be revised by whatever amount is necessary to ensure that employer contributions remain at 60% of total contributions.
13	8.31	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.113, Subd. 4	MSRS plans	The disability medical or psychological examination provision is revised to permit use of physician assistants; to require any medical professional providing disability determination or review services to be licensed; to require medical reports to include a determination of whether the disability arose prior to the employee being placed on leave or prior to termination; to permit disability approvals to include a date by which it is expected that the individual will have sufficiently recovered to no longer qualify for disability; and to require any claim for disability to include an employer report indicating that no work can be found to accommodate the individual.
14	10.17	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.113, New Subd. 4b	MSRS plans	A new subdivision is created requiring individuals applying for or receiving disability benefits to submit to a medical examination or rehabilitation assessment if requested by the executive director.
15	10.25	SF 696 (Goodwin); HF 628 (Murphy, M.)	352.113, Subd. 6	MSRS plans	The disability benefit continuation provision is revised by generalizing the provision to permit the Executive Director to require submission of medical or psychological evidence in support of disability benefit continuation.

<b>Article 3: PERA Administrative Provisions</b>					
1	30.3	SF 277 (Pappas); HF 342 (Nelson)	353.01; Subd. 2b	PERA	Student employees in a work-study program will be excluded from PERA coverage if the position is for five years or less, rather than three years or less; and a five-year limit is placed on exclusion from coverage for students in intern or residency programs.
2	33.17	SF 277 (Pappas); HF 342 (Nelson)	353.01, Subd. 16	PERA	Removes the prohibition against use of overtime salary from the USERRA-compliant military service credit purchase provision.
3	36.23	SF 277 (Pappas); HF 342 (Nelson)	353.01, Subd. 17a	PERA-P&F	Revises the definition of average salary by including a new paragraph, moved from another section, defining average salary for purposes of computing PERA-P&F surviving spouse and dependent child benefits as the average salary over the last six months of allowable service, and if employment was part-time, the average salary must be prorated based on the actual number of hours worked.
4	37.5	SF 277 (Pappas); HF 342 (Nelson)	353.01, Subd. 29	PERA	Clarifies the PERA designated beneficiary definition by defining designated beneficiary to include a trust or estate; by explicitly authorizing a person legally authorized to act on behalf of the member or former member to designate beneficiaries; by requiring that the designation be made on a form prescribed by the executive director; and by specifying that the form must be received prior to the death of the member.
5	37.18	SF 277 (Pappas); HF 342 (Nelson)	353.27, Subd. 7	PERA	Clarifies the language of the PERA erroneous receipts or disbursements provision.
6	39.32	SF 277 (Pappas); HF 342 (Nelson)	353.34, Subd. 1	PERA	Eliminates an unnecessary clause from the PERA refund or deferred annuity provision.
7	40.14	SF 277 (Pappas); HF 342 (Nelson)	353.34, Subd. 2	PERA	Specifies that a 4% interest rate will be used to refund erroneous employee deductions.
8	40.30	SF 277 (Pappas); HF 342 (Nelson)	353.50, Subd. 3	MERF Division	Benefit computation language being moved to a benefits subdivision is stricken in a service credit and benefit transfer provision.
9	41.13	SF 277 (Pappas); HF 342 (Nelson)	353.50, Subd. 6	MERF Division	The MERF Division benefits provision is revised by clarifying the provision; by stating that active members of the MERF division must meet eligibility requirements stated in MERF statutes in order to qualify for benefits, and by specifying how to compute the benefits; and by explicitly stating age and service requirements for MERF Division formula retirement annuities.
10	42.1	SF 277 (Pappas); HF 342 (Nelson)	353.657, Subd. 2	PERA-P&F	Removes surviving spouse benefit computation language no longer needed due to the creation of an average salary definition in Section 3, and makes other conforming changes
11	42.22	SF 277 (Pappas); HF 342 (Nelson)	353.657, Subd. 2a	PERA-P&F	Removes a cross-reference to a repealed provision in the death while eligible survivor benefit provision.
12	43.24	SF 277 (Pappas); HF 342 (Nelson)	353.657, Subd. 3	PERA-P&F	Removes language from the dependent child provision which is no longer needed due to creating an average salary definition and clarifies the computation for part-time employees, when the part-time employment was due to health reasons.
13	44.7	SF 276 (Pappas); HF 344 (Nelson)	353F.02, Subd. 3	PERA Privatizations	Clarifies the "effective date" definition by revising it to "effective date of privatization"
14	44.14	SF 277 (Pappas); HF 342 (Nelson)	358F.02 Subd. 4	PERA Privatizations	Revises the name of Clearwater Health Services in Bagley, Clearwater County, to Cornerstone Nursing and Rehab Center, and adds Lake County Sunrise Home to the list of privatized facilities.
15	45.10	SF 276 (Pappas); HF 344 (Nelson)	353F.02, New Subd. 4a	PERA Privatizations	New definition provision defining "privatized former public employer" to mean a medical facility or other employing unit which was a governmental employer, but which has now been privatized and whose employees are certified for inclusion under the PERA privatization chapter.
16	45.17	SF 276 (Pappas); HF 344 (Nelson)	353F.02, Subd. 6	PERA Privatizations	The definition of "terminated medical facility or other public employing unit employee" is revised to apply to "privatized former public employees," and language is added stating that a person who remains covered by PERA-General due to simultaneous employment with a privatized employer and another employer who remains a governmental subdivision is not eligible for coverage under the PERA privatization chapter.
17	46.2	SF 276 (Pappas); HF 344 (Nelson)	353F.025, Subd. 1	PERA Privatizations	The eligibility determination provision is clarified.
18	46.29	SF 276 (Pappas); HF 344 (Nelson)	353F.025, Subd. 2	PERA Privatizations	The privatization recommendation to the Legislature provision is revised to have PERA make determinations of which privatizations are to be included in the chapter, using the same criteria which the Commission has used in these determinations, rather than requiring legislative approval of each privation. PERA must forward notice of new inclusions to the LCPR and government operations committees, and include a list of included privatizations on the PERA website and in the PERA financial report.
19	48.4	SF 276 (Pappas); HF 344 (Nelson)	353F.03	PERA Privatizations	A conforming change to use new terminology for privatized employers and employees is made in the vesting rule provision.
