11.6 ~~the edition of Minnesota Statutes published in the year in which the privatization occurred~~
11.7 353.34, subdivision 3, except that the rate of augmentation is as specified in this ~~subdivision~~
11.8 section.

 13.26 to read:

13.27 Subd. 3. **Content of reports.** (a) The report required by subdivision 1 must include a
 13.28 written statement of the investment policy. Following that initial report, subsequent reports
 13.29 must include investment policy changes and the effective date of each policy change rather
 13.30 than a complete statement of investment policy, unless the state auditor requests submission

of a complete current statement. The report must also include the information required by the following paragraphs, as applicable.

~~(b) If, after four years of reporting under this paragraph, the total portfolio time weighted rate of return, net of all investment related costs and fees, provided by the public pension plan differs by no more than 0.1 percent from the comparable return for the plan calculated by the Office of the State Auditor, and if a public pension plan has a total market value of \$50,000,000 or more as of the beginning of the calendar year, and if the public pension plan's annual audit is performed by the state auditor or by the legislative auditor, For public pension plans not fully invested through the State Board of Investment with assets having a market value of \$50,000,000 or more as of the beginning of the calendar year, or that had a market value of \$50,000,000 or more in a prior calendar year, the report required by subdivision 1 must include the market value of the total portfolio and the market value of each asset class included in the pension fund as of the beginning of the calendar year and as of the end of the calendar year. At the discretion of the state auditor, the public pension plan may be required to submit the following:~~

(1) the market value of the total portfolio and the market value of each investment account, investment portfolio, or asset class included in the pension fund for each month; and;

(2) the amount and date of each injection and withdrawal to the total portfolio and to each investment account, investment portfolio, or asset class. ~~If the market value of a public pension plan's fund drops below \$50,000,000 in a subsequent year, it must continue reporting under this paragraph for any subsequent year in which the public pension plan is not fully invested as specified in subdivision 1, paragraph (b), except that if the public pension plan's annual audit is not performed by the state auditor or legislative auditor, paragraph (c) applies;~~

~~(c) If paragraph (b) would apply if the annual audit were provided by the state auditor or legislative auditor, the report required by subdivision 1 must include the market value of the total portfolio and the market value of each asset class included in the pension fund as of the beginning of the calendar year and for each month, and the amount and date of each injection and withdrawal to the total portfolio and to each investment account, investment portfolio, or asset class.~~

~~(d) For public pension plans to which paragraph (b) or (c) applies, the report required by subdivision 1 must also include~~ (3) a calculation of the total time-weighted rate of return available from index-matching investments assuming the asset class performance targets

15.1 and target asset mix indicated in the written statement of investment policy. ~~The provided~~
15.2 ~~information must include;~~

15.3 (4) a description of indices used in the analyses and an explanation of why those indices
15.4 are appropriate. This paragraph does not apply to any fully invested plan, as defined by
15.5 subdivision 1, paragraph (b). Reporting by the State Board of Investment under this paragraph
15.6 is limited to information on the Minnesota public pension plans required to be invested by
15.7 the State Board of Investment under section 11A.23.;

15.8 (5) computed time-weighted rates of return; and

15.9 (6) any other information required by the state auditor, as applicable.

15.10 (c) For public pension plans fully invested through the State Board of Investment with
15.11 assets having a market value of \$50,000,000 or more as of the beginning of the calendar
15.12 year, or that had a market value of \$50,000,000 or more in a prior calendar year, the report
15.13 required by subdivision 1 must be in the form required by the state auditor and include the
15.14 information needed by the state auditor to supplement the reporting available from the State
15.15 Board of Investment.

15.16 ~~(e)~~ (d) If a public pension plan has assets with a total market value of less than
15.17 \$50,000,000 as of the beginning of the calendar year and was never required to file under
15.18 paragraph (b) or (c), the report required by subdivision 1 must include the following:

15.19 (1) unless paragraph (f) applies, the amount and date of each total portfolio injection
15.20 and withdrawal. In addition, the report must include; and

15.21 (2) the market value of the total portfolio as of the beginning of the calendar year and

15.24 ~~time-weighted rates of return with the report, in addition to all other required information,~~
15.25 ~~as applicable. The chief administrative officer of the public pension plan submitting the~~
15.26 ~~returns must certify, on a form prescribed by the state auditor, that the returns have been~~
15.27 ~~computed by the pension plan's investment performance consultant or custodial bank. The~~
15.28 ~~chief administrative officer of the public pension plan submitting the returns also must~~
15.29 ~~certify that the returns are net of all costs and fees, including investment management fees,~~
15.30 ~~and that the procedures used to compute the returns are consistent with Bank Administration~~
15.31 ~~Institute studies of investment performance measurement and presentation standards set by~~
15.32 ~~the CFA Institute. If the certifications required under this paragraph are not provided, the~~
15.33 ~~reporting requirements of paragraph (c) apply.~~

~~(g)~~ (e) For public pension plans reporting under paragraph ~~(e)~~ (d), the public pension plan must retain supporting information specifying the date and amount of each injection and withdrawal to each investment account and investment portfolio. The public pension plan must also retain the market value of each investment account and investment portfolio at the beginning of the calendar year and for each quarter. Information that is required to be collected and retained for any given year or years under this paragraph must be submitted to the ~~Office of the state auditor~~ if the ~~Office of the state auditor~~ requests in writing that the information be submitted by a the public pension plan or plans, ~~or be submitted by the State Board of Investment for any plan or plans for which the State Board of Investment is the investment authority under this section~~. If the state auditor requests information under this subdivision, and the public pension plan fails to comply, the pension plan is subject to penalties under subdivision 5, unless penalties are waived by the state auditor under that subdivision.

(f) A public pension plan reporting under paragraph (d) that is fully invested through the State Board of Investment for the given calendar year is required to report the market value of the total portfolio as of the beginning of the calendar year and for each quarter, but need not report the amount and date of each total portfolio injection and withdrawal.

17.5 the state auditor shall compute and report total portfolio time-weighted rates of return, net
17.6 of all costs and fees. ~~If the state auditor has requested data for a plan under subdivision 3,~~
17.7 ~~paragraph (g), the state auditor may also compute and report asset class time-weighted rates~~
17.8 ~~of return, net of all costs and fees.~~

17.9 ~~(e) The report by the state auditor must include the information submitted by the pension~~
17.10 ~~plans under subdivision 3, paragraph (d), or a synopsis of that information.~~

17.11 ~~(f) (d)~~ The report by the state auditor may also include a presentation of multiyear

It also means a child of the member conceived during the member's lifetime and born after the member's death unless a parent-child relationship does not exist under section 524.2-120, subdivision 10.

Sec. 2. Minnesota Statutes 2018, section 352.04, subdivision 4, is amended to read:

Subd. 4. **Payroll deductions.** ~~The head of Each department~~ employing entity shall have employee contributions deducted from the salary of each employee covered by the system on every payroll abstract and shall approve one voucher payable to the commissioner of management and budget for the aggregate amount deducted on the payroll abstract. Deductions from salaries of employees paid ~~direct~~ directly by any ~~department, institution, or agency of the state~~ employing entity must be made by the officer or employee authorized by law to pay the salaries. ~~The head of any department or agency~~ Any employing entity having authority to appoint any employee who receives fees as compensation or who receives compensation on federal payrolls shall collect as the required employee contribution the applicable amounts required in subdivision 2. Deductions from salary and amounts collected must be remitted to the director with a statement showing the amount of earnings or fees, and in the case of fees, the number of transactions, and the amount of each of the deductions and collections and the names of the employees on whose account they have been made.

19.1 Sec. 3. Minnesota Statutes 2018, section 352.04, subdivision 8, is amended to read:

19.2 Subd. 8. **Department Employing entity required to pay omitted salary deductions.** (a)

19.3 If a ~~department~~ an employing entity fails to take deductions past due for a period of 60 days
19.4 or less from an employee's salary as provided in this section, those deductions must be taken
19.5 on later payroll abstracts.

19.6 (b) If a ~~department~~ an employing entity fails to take deductions past due for a period in
19.7 excess of 60 days from an employee's salary as provided in this section, the ~~department~~
19.8 employing entity, and not the employee, must pay on later payroll abstracts the employee
19.9 and employer contributions and interest at the applicable annual rate or rates specified in
19.10 section 356.59, subdivision 2, compounded annually, from the date the employee and
19.11 employer contributions should have been deducted to the date payment of the total amount
19.12 due is paid by the ~~department~~ employing entity.

19.13 (c) If a ~~department~~ an employing entity fails to take deductions past due for a period of
19.14 60 days or less and the employee is no longer in state service so that the required deductions
19.15 cannot be taken from the salary of the employee, the ~~department~~ employing entity must
19.16 nevertheless pay the required employer contributions. If any ~~department~~ employing entity
19.17 fails to take deductions past due for a period in excess of 60 days and the employee is no
19.18 longer in state service, the omitted contributions must be recovered under paragraph (b).

19.19 (d) If an employee from whose salary required deductions were past due for a period of
19.20 60 days or less leaves state service before the payment of the omitted deductions and
19.21 subsequently returns to state service, the unpaid amount is considered the equivalent of a
19.22 refund. The employee accrues no right by reason of the unpaid amount, except that the
19.23 employee may pay the amount of omitted deductions as provided in section 352.23.

19.24 Sec. 4. Minnesota Statutes 2019 Supplement, section 352.04, subdivision 9, is amended
19.25 to read:

19.26 Subd. 9. **Erroneous deductions, canceled payments.** (a) Deductions taken from the
19.27 salary of an employee for the retirement fund in excess of required amounts must, upon
19.28 discovery and verification by the ~~department~~ employing entity making the deduction, be
19.29 refunded to the employee. Employer contributions made in excess of required amounts must
19.30 be refunded or credited to the employing entity that made the contribution.

19.31 (b) If a deduction for the retirement fund is taken from a salary payment, and the payment
19.32 is canceled or the amount of the payment returned to the funds of the ~~department~~ employing
19.33 entity making the payment, the sum deducted, or the part of it required to adjust the

20.1 deductions, must be refunded or credited to the ~~department or institution~~ employing entity
20.2 if the ~~department~~ employing entity applies for the refund on a form furnished by the director.
20.3 ~~The department's payments must likewise be refunded to the department.~~

20.4 (c) If erroneous employee deductions and employer contributions are caused by an error
20.5 in plan coverage involving the plan and any other plans specified in section 356.99, that
20.6 section applies. If the employee should have been covered by the plan governed by chapter
20.7 352D, 353D, 354B, or 354D, the employee deductions and employer contributions taken
20.8 in error must be directly transferred to the applicable employee's account in the correct
20.9 retirement plan, with interest at the applicable monthly rate or rates specified in section
20.10 356.59, subdivision 2, compounded annually, from the first day of the month following the
20.11 month in which coverage should have commenced in the correct defined contribution plan
20.12 until the end of the month in which the transfer occurs.

20.13 Sec. 5. Minnesota Statutes 2018, section 352.04, is amended by adding a subdivision to
20.14 read:

20.15 Subd. 13. "Employing entity" defined. In this section, "employing entity" means the
20.16 entity that pays a state employee's salary and remits retirement contributions.

20.17 Sec. 6. Minnesota Statutes 2019 Supplement, section 352.113, subdivision 2, is amended
20.18 to read:

20.19 Subd. 2. **Application; accrual of benefits.** (a) An employee making claim for a total
20.20 and permanent disability benefit, or someone acting on behalf of the employee upon proof
20.21 of authority satisfactory to the director, shall file a written application for benefits in ~~the~~ an
20.22 office of the system on or before the deadline specified in subdivision 4, paragraph (g) or
20.23 with a person authorized by the director.

20.24 (b) The application must be in a form and manner prescribed by the ~~executive~~ director
20.25 ~~and include the medical reports required by subdivision 4, paragraph (b).~~ The completed
20.26 application form and supporting documents must be received in an office of the system or
20.27 by an authorized person before the expiration of the period specified in subdivision 4,
20.28 paragraph (g). In this paragraph, "supporting documents" means:

20.29 (1) two medical reports as required by subdivision 4, paragraph (b); and

20.30 (2) a written certification by the employing entity as required by subdivision 4, paragraph
20.31 (e).

21.1 Supporting documents are not required to be original documents except as determined
21.2 by the director.

21.3 (c) The benefit shall begin to accrue the day following the start of disability or the day
21.4 following the last day paid, whichever is later, but not earlier than 180 days before the date
21.5 the application is and supporting documents are filed in an office of the system or with an
21.6 authorized person.

21.7 Sec. 7. Minnesota Statutes 2018, section 352.113, subdivision 4, is amended to read:

21.8 Subd. 4. **Medical or psychological examinations; authorization for payment of**
21.9 **benefit.** (a) Any physician, psychologist, chiropractor, physician assistant, podiatrist, or
21.10 nurse practitioner providing any service specified in this section must be licensed.

21.11 (b) An applicant shall provide a detailed report signed by a physician, and at least one
21.12 additional report signed by a physician, psychologist, chiropractor, physician assistant,
21.13 podiatrist, or nurse practitioner with evidence to support an application for total and
21.14 permanent disability. The reports must include an expert opinion regarding whether the
21.15 employee is permanently and totally disabled within the meaning of section 352.01,
21.16 subdivision 17, and that the disability arose before the employee was placed on any paid or
21.17 unpaid leave of absence or terminated public service.

21.18 (c) If there is medical evidence that supports the expectation that at some point the person
21.19 applying for the disability benefit will no longer be disabled, the decision granting the
21.20 disability benefit may provide for a termination date upon which the total and permanent
21.21 disability can be expected to no longer exist. When a termination date is part of the decision
21.22 granting benefits, prior to the benefit termination the executive director shall review any
21.23 evidence provided by the disabled employee to show that the disabling condition for which
21.24 benefits were initially granted continues. If the benefits cease, the disabled employee may
21.25 follow the appeal procedures described in section 356.96 or may reapply for disability
21.26 benefits using the process described in this subdivision.

21.27 (d) Any claim to disability must be supported by a report from the employer indicating
21.28 that there is no available work that the employee can perform with the disabling condition
21.29 and that all reasonable accommodations have been considered. Upon request of the executive
21.30 director, an employer shall provide evidence of the steps the employer has taken to attempt
21.31 to provide reasonable accommodations and continued employment to the claimant.

21.32 (e) The director shall also obtain written certification from the employer stating whether
21.33 the employment has ceased or whether the employee is on sick leave of absence because

22.1 of a disability that will prevent further service to the employer and that the employee is not
22.2 entitled to compensation from the employer.

22.3 (f) The medical adviser shall consider the reports of the physician, psychologist,
22.4 chiropractor, physician assistant, podiatrist, or nurse practitioner and any other evidence
22.5 supplied by the employee or other interested parties. If the medical adviser finds the employee
22.6 totally and permanently disabled, the adviser shall make appropriate recommendation to
22.7 the director in writing together with the date from which the employee has been totally
22.8 disabled. The director shall then determine if the disability occurred while still in the
22.9 employment of the state and constitutes a total and permanent disability as defined in section
22.10 352.01, subdivision 17.

22.11 (g) A terminated employee may apply for a disability benefit within 18 months of
22.12 termination as long as the disability occurred while in the employment of the state. The fact
22.13 that an employee is placed on leave of absence without compensation because of disability
22.14 does not bar that employee from receiving a disability benefit.

22.15 (h) Upon appeal, the board of directors may extend the disability benefit application
22.16 deadline in paragraph (g) by an additional 18 months if the terminated employee is
22.17 determined by the board of directors to have a cognitive impairment that made it unlikely
22.18 that the terminated employee understood that there was an application deadline or that the
22.19 terminated employee was able to meet the application deadline.

22.20 (i) Unless the payment of a disability benefit has terminated because the employee is
22.21 no longer totally disabled, or because the employee has reached normal retirement age as
22.22 provided in this section, the disability benefit must cease with the last payment received by
22.23 the disabled employee or which had accrued during the lifetime of the employee unless
22.24 there is a spouse surviving. In that event, the surviving spouse is entitled to the disability
22.25 benefit for the calendar month in which the disabled employee died.

22.26 Sec. 8. Minnesota Statutes 2019 Supplement, section 352.23, is amended to read:

22.27 **352.23 TERMINATION OF RIGHTS; REPAYMENT OF REFUND.**

22.28 (a) When any employee accepts a refund as provided in section 352.22, all existing
22.29 allowable service credits and all rights and benefits to which the employee was entitled
22.30 before accepting the refund terminate.

22.31 (b) Terminated service credits and rights must not again be restored until the former
22.32 employee acquires at least six months of allowable service credit after taking the last refund
22.33 and repays all refunds previously taken from the retirement fund with interest as provided

in paragraph (d). ~~If an employee repays only part of a refund or repays a refund in partial payments as permitted under paragraph (d), service credit will be restored in accordance with section 356.44.~~ An employee will not be considered as entitled to any other benefit, including benefits for which the employee may be eligible because of the employee's original hire date into public employment, until full repayment of all refunds has been made.

(c) Repayment of refunds entitles the employee only to credit for service covered by (1) salary deductions; (2) payments previously made in lieu of salary deductions as permitted under law in effect when the payment in lieu of deductions was made; (3) payments made to obtain credit for service as permitted by laws in effect when payment was made; and (4) allowable service previously credited while receiving temporary workers' compensation as provided in section 352.01, subdivision 11, paragraph (a), clause (3).

(d) Payments under this section for repayment of refunds are to be paid with interest at the applicable annual rate or rates specified in section 356.59, subdivision 2, compounded annually, from the date the refund was taken until the date the refund is repaid. Repayment may be made ~~in partial payments consistent with section 356.44 during employment or in~~ a lump sum during employment or up to six months after termination from service.

Sec. 9. Minnesota Statutes 2018, section 352.95, subdivision 3, is amended to read:

Subd. 3. **Applying for benefits; accrual.** No application for disability benefits may be made until after the last day physically on the job. The disability benefit begins to accrue the day following the last day for which the employee is paid sick leave or annual leave, but not earlier than 180 days before the date the application is filed. A terminated employee must file a written application ~~within the time frame specified under section 352.113, subdivision 4, paragraph (g)~~ in an office of the system or with a person authorized by the executive director. Applications must comply with section 352.113, subdivision 2, paragraph (b).

Sec. 10. Minnesota Statutes 2018, section 352B.011, subdivision 6, is amended to read:

Subd. 6. **Dependent child.** "Dependent child" means an individual who is a natural or adopted unmarried child of a deceased member and is under the age of 18 years, including any child of the member conceived during the lifetime of the member and born after the death of the member unless a parent-child relationship does not exist under section 524-2.120, subdivision 10.

24.1 Sec. 11. Minnesota Statutes 2018, section 352B.011, subdivision 10, is amended to read:

24.2 Subd. 10. **Member.** "Member" means:

24.3 (1) a State Patrol member currently employed under section 299D.03 by the state, who
24.4 is a peace officer under section 626.84, and whose salary or compensation is paid out of
24.5 state funds;

24.6 (2) a conservation officer employed under section 97A.201, currently employed by the
24.7 state, whose salary or compensation is paid out of state funds;

24.8 (3) a crime bureau officer who was employed by the crime bureau and was a member
24.9 of the Highway Patrolmen's retirement fund on July 1, 1978, whether or not that person has
24.10 the power of arrest by warrant after that date, or who is employed as police personnel, with
24.11 powers of arrest by warrant under Minnesota Statutes 2009, section 299C.04, and who is
24.12 currently employed by the state, and whose salary or compensation is paid out of state funds;

24.13 ~~(4) a person who is employed by the state in the Department of Public Safety in a data~~
24.14 ~~processing management position with salary or compensation paid from state funds, who~~
24.15 ~~was a crime bureau officer covered by the State Patrol retirement plan on August 15, 1987,~~
24.16 ~~and who was initially hired in the data processing management position within the department~~
24.17 ~~during September 1987, or January 1988, with membership continuing for the duration of~~
24.18 ~~the person's employment in that position, whether or not the person has the power of arrest~~

50.26 Sec. 4. Minnesota Statutes 2018, section 354.44, subdivision 6, is amended to read:

50.27 Subd. 6. **Computation of formula program retirement annuity.** (a) The formula
50.28 retirement annuity must be computed in accordance with the applicable provisions of the
50.29 formulas stated in paragraph (b) or (d) on the basis of each member's average salary under
50.30 section 354.05, subdivision 13a, for the period of the member's formula service credit.

50.31 (b) This paragraph, in conjunction with paragraph (c), applies to a person who first
50.32 became a member of the association or a member of a pension fund listed in section 356.30,

subdivision 3, before July 1, 1989, unless paragraph (d), in conjunction with paragraph (e), produces a higher annuity amount, in which case paragraph (d) applies. The average salary as defined in section 354.05, subdivision 13a, multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled for service rendered before July 1, 2006:

Period	Coordinated Member	Basic Member
Each year of service during first ten	1.2 percent per year	2.2 percent per year
Each year of service thereafter	1.7 percent per year	2.7 percent per year

For service rendered on or after July 1, 2006, by a member other than a member who was a member of the former Duluth Teachers Retirement Fund Association between January 1, 2006, and June 30, 2015, and for service rendered on or after July 1, 2013, by a member who was a member of the former Duluth Teachers Retirement Fund Association between January 1, 2013, and June 30, 2015, the average salary as defined in section 354.05, subdivision 13a, multiplied by the following percentages per year of service credit, determines the amount the annuity to which the member qualifying therefor is entitled:

Period	Coordinated Member	Basic Member
Each year of service during first ten	1.4 percent per year	2.2 percent per year
Each year of service after ten years of service	1.9 percent per year	2.7 percent per year

(c)(1) This paragraph applies only to a person who first became a member of the association or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and whose annuity is higher when calculated under paragraph (b), in conjunction with this paragraph than when calculated under paragraph (d), in conjunction with paragraph (e).

(2) Where any member retires prior to normal retirement age under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in paragraph (b) reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month that the member is under age 62.

(3) Any member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in paragraph (b), without any reduction by reason of early retirement.

(d) This paragraph applies to a member who has become at least 55 years old and first became a member of the association after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity amount when calculated under this paragraph and in conjunction with paragraph (e), is higher than it is when calculated under paragraph (b), in conjunction with paragraph (c).

(1) For a basic member, the average salary, as defined in section 354.05, subdivision 13a, multiplied by 2.7 percent for each year of service for a basic member determines the amount of the retirement annuity to which the basic member is entitled. The annuity of a basic member who was a member of the former Minneapolis Teachers Retirement Fund Association as of June 30, 2006, must be determined according to the annuity formula under the articles of incorporation of the former Minneapolis Teachers Retirement Fund Association in effect as of that date.

(2) For a coordinated member, the average salary, as defined in section 354.05, subdivision 13a, multiplied by 1.7 percent for each year of service rendered before July 1, 2006, and by 1.9 percent for each year of service rendered on or after July 1, 2006, for a member other than a member who was a member of the former Duluth Teachers Retirement Fund Association between January 1, 2006, and June 30, 2015, and by 1.9 percent for each year of service rendered on or after July 1, 2013, for a member of the former Duluth Teachers Retirement Fund Association between January 1, 2013, and June 30, 2015, determines the amount of the retirement annuity to which the coordinated member is entitled.

~~(e) This paragraph applies to a member who has become at least 55 years old and first becomes a member of the association after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under paragraph (d) in conjunction with this paragraph than when calculated under paragraph (b), in conjunction with paragraph (c). An employee who retires under the formula annuity before the normal retirement age shall be paid the normal annuity provided in paragraph (d) reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age if the employee became an employee before July 1, 2006, and at 2.5 percent compounded annually if the employee becomes an employee after June 30, 2006. Except in regards to section 354.46, this paragraph remains in effect until June 30, 2015.~~

~~(f) Until June 30, 2019, this paragraph applies to a member who has become at least 55 years old and first becomes a member of the association after June 30, 1989, and to any~~

~~other member who has become at least 55 years old and whose annuity is higher when calculated under paragraph (d) in conjunction with this paragraph than when calculated under paragraph (b) in conjunction with paragraph (c). An employee who retires under the formula annuity before the normal retirement age is entitled to receive the normal annuity provided in paragraph (d), reduced as described in clause (1) or (2), as applicable.~~

~~(1) For a member who is at least age 62 and has at least 30 years of service, the annuity shall be reduced by an early reduction factor of six percent for each year that the member's age of retirement precedes normal retirement age. The resulting reduced annuity shall be further adjusted to take into account the increase in the monthly amount that would have occurred had the member retired early and deferred receipt of the annuity until normal retirement age and the annuity was augmented during the deferral period at 2.5 percent, if the member commenced employment after June 30, 2006, or at three percent, if the member commenced employment before July 1, 2006, compounded annually.~~

~~(2) For a member who has not attained age 62 or has fewer than 30 years of service, the annuity shall be reduced for each year that the member's age of retirement precedes the normal retirement age by the following early reduction factors:~~

~~(i) for the period during which the member is age 55 through age 59, the factor is four percent; and~~

~~(ii) for the period during which the member is age 60 but not yet normal retirement age, the factor is seven percent.~~

~~The resulting reduced annuity shall be further adjusted to take into account the increase in the monthly amount that would have occurred had the member retired early and deferred receipt of the annuity until normal retirement age and the annuity was augmented during the deferral period at 2.5 percent, if the member commenced employment after June 30, 2006, or at three percent, if the member commenced employment before July 1, 2006, compounded annually.~~

~~(g) For members who retire on or after July 1, 2019, (e) This paragraph applies to a person who has become at least 55 years old and first becomes a member of the association after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under paragraph (d) in conjunction with this paragraph than when calculated under paragraph (b) in conjunction with paragraph (c). An employee who retires under the formula annuity before the normal retirement age is entitled to receive the normal annuity provided in paragraph (d), reduced as described in clause (1) or (2), as applicable.~~

(1) For a member who is at least age 62 and has at least 30 years of service, the annuity shall be reduced by an early reduction factor of six percent for each year that the member's age of retirement precedes the normal retirement age. The resulting reduced annuity shall be further adjusted to take into account the increase in the monthly amount that would have occurred had the member retired early and deferred receipt of the annuity until normal retirement age and the annuity was augmented during the deferral period at 2.5 percent, if the member commenced employment after June 30, 2006, or at three percent, if the member commenced employment before July 1, 2006, compounded annually.

(2) For a member who has not attained age 62 or has fewer than 30 years of service, the annuity shall be reduced for each year that the member's age of retirement precedes normal retirement age by the following early reduction factors:

(i) for the period during which the member is age 55 through age ~~59~~ 58, the factor is four percent; and

(ii) for the period during which the member is at least age ~~60~~ 59 but not yet normal retirement age, the factor is seven percent.

The resulting annuity shall be further adjusted to take into account the increase in the monthly amount that would have occurred had the member retired early and deferred receipt of the annuity until normal retirement age and the annuity was augmented during the deferral period at the applicable annual rate, compounded annually. The applicable annual rate is the rate in effect for the month that includes the member's effective date of retirement and shall be considered as fixed for the member for the period until the member reaches normal retirement age. The applicable annual rate for June 2019 is 2.5 percent, if the member commenced employment after June 30, 2006, or three percent, if the member commenced employment before July 1, 2006, compounded annually, and decreases each month beginning July 2019 in equal monthly increments over the five-year period that begins July 1, 2019, and ends June 30, 2024, to zero percent effective for July 2024 and thereafter.

After June 30, 2024, the reduced annuity commencing before normal retirement age under this clause shall not take into account any augmentation.

~~(h) After June 30, 2015, and before July 1, 2019, for a person who would have a reduced retirement annuity under either paragraph (e) or (f) if they were applicable, the employee is entitled to receive a reduced annuity which must be calculated using a blended reduction factor augmented monthly by 1/60 of the difference between the reduction required under paragraph (e) and the reduction required under paragraph (f).~~

(f) No retirement annuity is payable to a former employee with a salary that exceeds 95 percent of the governor's salary unless and until the salary figures used in computing the highest five successive years average salary under paragraph (a) have been audited by the Teachers Retirement Association and determined by the executive director to comply with the requirements and limitations of section 354.05, subdivisions 35 and 35a.

EFFECTIVE DATE. This section is effective the day following final enactment, except the amendment to paragraph (g), clause (2), is effective retroactively from June 30, 2018.

Sec. 5. Minnesota Statutes 2018, section 354.46, subdivision 2, is amended to read:

Subd. 2. Surviving spouse survivor coverage. (a) If the active or deferred member was at least age 55 and had credit for at least three years of allowable service on the date of death, the surviving spouse is entitled to the second portion of a 100 percent joint and survivor annuity specified under section 354.45, based on the age of the active or deferred member at the time of death and the age of the surviving spouse at the time the benefit accrues.

(b) If the active or deferred member was under age 55 and had credit for at least 30 years of allowable service on the date of death, the surviving spouse may elect to receive the second portion of a 100 percent joint and survivor annuity based on the age of the active or deferred member on the date of death and the age of the surviving spouse at the time the benefit accrues. (c) If the active or deferred member was under age 55 and had credit for at least three years of allowable service on the date of death, but did not yet qualify for retirement, the surviving spouse may elect to receive the second portion of a 100 percent joint and survivor annuity based on the age of the active or deferred member at the time of death and the age of the surviving spouse at the time the benefit accrues. If section 354.44, subdivision 6, applies, the annuity is calculated using the full early retirement reduction under section 354.44, subdivision 6, to age 55 and one-half of the early retirement reduction from age 55 to the age the annuity begins.

(d) The surviving spouse eligible for surviving spouse benefits under this subdivision may apply for the annuity any time after the member's death.
